Drury wrote on Thu, 05 January 2012 02:36I am interested in catching this movie but have no definite plan to do so. Most of my friends think it sound boring, which I think is based on impressions of the books about Sherlock Holmes.

Well, the movie plots are jumbled up versions of story plots, and the characters are much sexier--not just in looks but in the typical Hollywood way of making everything more exciting and in-your-face. The movies are nothing like the books; you can't really compare them as both are good in very different ways.
