That Bonnie Raiit seldom gets any notice? I have some of her albums and she is a very good player.Magic Dick, I remember him from the J. Geils days. My wife heard one line of a J. Geils song where Peter Wolf says "Take out your false teeth Momma, I wanna suck on your gums" She told me I had horrid taste in music I told her "I don't eat the damn things, just listen to'em" I think I made my own lunches for a couple of weeks after
