Well, the first concert is this weekend. Again, I put off getting season tickets, but am on the waiting list for surrendered tickets. Which means we'll always get seats anyway. I had my choice of 6 different pairs for this performance. I did pick up 4 tickets for the family to see the Vienna Boys Choir in Feb. My son is into choir this year and I thought he might enjoy/appreciate hearing something beyond the local middle school!

Amarillo Symphony
