Subject: Off-the-shelf 4 Pi Stand Posted by jdubs on Wed, 25 Apr 2012 20:59:31 GMT View Forum Message <> Reply to Message

Hey all

How about this for an off-the-shelf solution?:

http://www.standsandmounts.com/vtirfseries13inchcenterchannelspeakerstandrfc.aspx

The right height (13") and it has an inbuilt 6 degree tilt. Looks pretty good to me but I'd love to hear any other thoughts.
