JPoole95 wrote on Wed, 02 May 2012 16:22Hello,

New to the forum but not to audio! Are these arrays still available? Could they possibly come to LSAF by chance?

Thanks,  
John Poole  
McKinney, TX

They are still available, but unfortunately I won't be making it to Dallas this year due to fundage issues, otherwise I'd love to bring them for you to listen to.

Ain't that a hoot. Need to sell the speakers, but don't have the cash to take them for an audition.....
