steve f wrote on Sat, 12 May 2012 06:57nicola91,

I tried that and it did sound good. I prefer the normal construction though. Hard to explain, but I found the sound to be smoother in the lower frequencies. I didn't try to measure the differences.

steve

how much smoother?? if i use this

http://www.servimg.com/image_preview.php?i=10&u=16423595 the sound can be more deep??
