Well well! Hello DRCope.

I've tried e-mailing you a few times over the years just to say hi! Glad to hear your well and busy! It's been a while since the old N.E.Bottlehead days. Are those TAD cabinets the ones I helped build?

It would be great to entice the western Pi crowd east sometime; I'd love to meet the folks who I've read about over the years!

Hope we can get together sometime soon!

Gary (Garland)
