Here's my little baby:

Olds 455
10:1 compression
Aluminum heads
roller cam / roller rockers 0.0505" lift, 290° duration
single plane intake
Holley 830 CFM carburetor with annular discharge booster venturis
hooker headers with Jet Hot ceramic coating
B&M Turbo 400 transmission
Ford 9" rear end with 3.25 gears and posi-track.
