Here's my little baby:

Olds 455

10:1 compression

Aluminum heads

roller cam / roller rockers 0.0505" lift, 290° duration

single plane intake

Holley 830 CFM carburetor with annular discharge booster venturis

hooker headers with Jet Hot ceramic coating

B&M Turbo 400 transmission

Ford 9" rear end with 3.25 gears and posi-track.
