Subject: Justin Beiber new CD Posted by LoveJB on Sat, 04 Aug 2012 00:58:43 GMT View Forum Message <> Reply to Message

Has anyone heard the new Justin Beiber CD? What did you think about it? I can't believe how much his voice has changed. He sounds a lot older. It was great though. My daughter was rocking out to it. She said she doesn't think his voice is much different.
