I'm not too happy with the conservative choice. But then again, look at the alternative. I'll definitely hold my nose and vote the right way.

If you have any doubts after the last four years, just read Obama's book:
Dreams from my Father, by Barack Obama

That's a great picture, I don't exactly agree with the comparison, but it certainly makes you think. I don't love the Republican ticket either, but I really don't think Obama has done well with slowing the rise of our debt. I think he's going to win though. Romney and Ryan don't connect with enough of the electorate.
