Subject: Trumpet Tone Posted by audioaudio90 on Tue, 25 Sep 2012 22:01:29 GMT View Forum Message <> Reply to Message

Are you a fan of trumpets? I never used to care for their sound much, as it was too bright and aggressive for me, but apparently that was just the way they were played. I listened to a jazz quartet last weekend (not my normal habit) and the guy played the trumpet low and sultry, which I liked quite a bit.
