Subject: Re: Hearing Loss Posted by iLoveiPod on Sat, 01 Dec 2012 01:06:26 GMT View Forum Message <> Reply to Message

I've never been to a doctor to know for sure if I have any hearing loss or not, but I imagine I probably do. I have to ask people to repeat themselves a lot, and I doubt it's always them. (Of course, I always blame it on them, ha ha!) If I do have some true hearing loss, I imagine it's from listening to my headphones too loud.
