Subject: Re: Conn. School Shooting. Posted by TurnItUp on Sat, 15 Dec 2012 18:22:19 GMT View Forum Message <> Reply to Message

Re-vamping the gun laws will not do anything to reduce gun crimes. I am a proud concealed carry permit holder and never leave my house unarmed, and stories like the one out of Connecticut are why. The thing about mass murdering criminals is they tend to ignore the laws...new laws won't change that.
