Bill Wassilak wrote on Mon, 31 December 2012 23:02: It's true, in today's music business it's not how talented you are, but who you know that's in the music business. Look at the band System of a Down, the lead singer couldn't sing a note if his life depended on it.

I completely agree. It isn't how well you sing anymore. Now it is a business with a business plan that makes people lots of money. Unfortunately the people making the money aren't necessarily the people with the talent.

I think you can still find a lot of talented people outside of the mainstream channels.
