Hello JCDC,

Thanks for the elaborate answer, its much appreciated.

will be sure to print the faqs section and use it for bedtime reading .

Yes shipping gets very expensive to denmark, plus we have to pay customs if the goods are above 100usd and vat of the amount which includes shipping grrrr, open market hmmm my a....

yes i can source the drivers i the eu from thomann.de

eminence delta 10a 88 euro a piece  
b&c de250 148euro a piece  
8 euro shipping to denmark  
480 euro including vat and shipping

the jbl 2226 i will find used.

thank you for taking the time

best regards

panduro
