Watched this movie on the IFC network. We'd looked at it a several year ago when it came out, but had never got around to watching it. It's about a 12 year old boy that escapes from an East European prison camp and tries to make his way to Denmark in 1952. He has spent his whole life in the camp and has no idea about the outside world.A very good, move the spirit movie that I definitely recommend.
