Subject: Re: Are we forgetting that Jennifer Lopez can't sing? Posted by Danny on Mon, 15 Apr 2013 07:49:57 GMT View Forum Message <> Reply to Message

She should just stick to acting. I think she does well with that. She is very pretty and talented, when it comes to that. I just don't think it is fair that she is making money off of voice-enhanced music, when there is so much talent out there that is not being "discovered".
