Kingfish wrote on Wed, 17 April 2013 13:01Pulp Fiction is a guy thing. I can't see a lot of females getting into that movie really. Personally, I can take it leave it. It's a good movie, but not good enough to where I would actually buy it.

I resent that, as a woman who happens to love this movie. I agree that it is one of those movies that you either love or hate, but I think it is great. Quentin Tarantino is a fabulous director and the cast and script were incredible.
