Subject: Experimenting In The Kitchen Posted by iLoveiPod on Mon, 22 Apr 2013 23:37:45 GMT View Forum Message <> Reply to Message

I've been experimenting in the kitchen a bit lately, especially where the Crock Pot is concerned. Since it's such an easy method of cooking, I've been looking up new recipes and trying them out. Last week was a beef roast recipe that turned out pretty good, albeit the meat was a bit chewy on reheating. This week it's a chicken dish and if it turns out right, it'll be like chicken pot pie filling.

Anyone else been experimenting in their kitchen recently?
