
Subject: Buying A Flat Screen From Sam's Club?

We're saving up to put a flat screen TV in the bedroom and a friend of mine was talking about some great deals at Sam's Club. The only problem is, we don't have a Sam's Club membership. We would have to buy one so that we could buy the TV from there. Do you think Sam's Clubs' prices on TV's are so much better that it would justify us buying an annual membership?
