gofar99 wrote on Sat, 18 May 2013 22:31 If you can provide a bit more information about your system and how the noise changes or doesn't change as mentioned above I can probably give you a less general answer.

It's a Pioneer system my brother just gave me. He upgraded apparently. His hand me down was my upgrade as well. Sorry, but that's about all I can tell you for now as I'm still getting used to the system itself.
