Subject: Own a Studio? Posted by audioaudio90 on Mon, 20 May 2013 14:10:31 GMT View Forum Message <> Reply to Message

Do any of you own a recording studio? If so, tell me about your set up. I don't have one, really. I have a little bit of equipment (a few mikes and stands, an Mbox, and ProTools) but I don't have a dedicated room with sound treatment.
