Subject: Miley's "performance" Posted by Jackson on Mon, 26 Aug 2013 14:19:30 GMT View Forum Message <> Reply to Message

Wow, did anyone else catch this performance on the VMA's last night? If I didn't know better, I would think that Miley Cyrus was practicing for a job on the stripper pole. she basically humped a foam finger and Robin Thicke on stage. I don't think it would bother me so much except that she built her brand on being a role model to young girls and now she's acting like a street walker.
