Subject: Safely Carrying Instruments Posted by AudioClueless on Sun, 02 Feb 2014 09:40:34 GMT View Forum Message <> Reply to Message

Any musicians here? Have you heard any of the recent stories of musicians with very expensive and rare instruments (a violin comes to mind in one case) being destroyed by customs because they believe them to be infested with parasites? Or worse, of the baggage handlers treating them so badly that they were destroyed?

How do you safely carry yours when travelling?
