Subject: Re: Boo! Taking a show I like off the air Posted by pk20 on Sat, 07 Jun 2014 11:02:44 GMT View Forum Message <> Reply to Message

I think it's the ratings compared to other shows that are currently playing. If they aren't high enough they will cancel a show and bring in a new one that hopefully brings the network's rating up. It's a competitive market for them to find the next best show everyone is watching.
