Subject: Re: Garage/yard sales for used equipment Posted by Harlow on Fri, 13 Jun 2014 18:58:18 GMT View Forum Message <> Reply to Message

I do this frequently! My wife is big into antiques and loves going to yard sales trying to find her next treasure. I went with her one weekend (this was a rather large one more like a flea market) and there was a table JUST for used parts. They had everything from computer parts, to stereo parts and everything in between, and they were CHEAP. I didn't have any projects going on at that point, but I stocked up for the future!
