Subject: Re: Subscription Radio Posted by timron on Tue, 09 Sep 2014 23:05:57 GMT View Forum Message <> Reply to Message

Sidenote -- We don't use Pandora, iHeart Radio, or anything like that in the car, so if we were to subscribe to something like Sirius that's where we would use it. Do you think it's worth it if the only place you use it is in the car?
