Wayne - Music and/or a movie are both good ideas. I know there are several albums he used to have back in the day that were stolen; if I could find out which ones he misses the most (without it looking too obvious) then I could probably replace one or two of them.

Nymeria - As hard as I've tried to get him to read, he could just care less about books. Thanks for the idea, though!

Timron - That would be a good idea if he didn't already have the game! Thanks, though.
