Yes, Vincent, I did move. Still in the process, to tell the truth. Paying for two homes, living in one, but straddling a little bit and still setting up. Not just trying to setup the home, but also the business, build new relationships with cabinet shops and machine shops, etc.

But I can't complain. My new home is in Bella Vista, Arkansas, which is just two hours from Tulsa. So I am able to maintain old relationships while building new ones. And family and friends are just a quick drive away. Plus, now I'm living in the Ozarks, which is incredibly beautiful. I'm living in a beautiful, scenic landscape and I literally have a waterfall in my backyard.

Are you still living in Japan?
