Subject: Repeat sex offender

I read a story on Facebook earlier about a guy out in Chicago that committed a sex crime, registered as a sex offender, took the bus home from the registration and IMMEDIATELY committed another sex crime on the bus. This is why I think sex offenders need stiffer penalties! The little four year old girl he molested was so scared she peed herself on the bus, and all I can ask myself is, why did they let this creep out in the first place?!
