Jennifer Lawrence has to be one of my favorite actors. She just seems so "real" and down to Earth where most others can come off as fake at times.

In the most recent Hunger Games movie she sang the song, Hanging Tree. I absolutely love it & think it turned out great. I heard that they had to bribe her to sing, because she didn't want to/doesn't like to. Isn't that crazy? Who else knows of this song & enjoys it?
