Luther, as always a stunning setup that I'm sure sounds superb. I've always admired the DIY stuff you've done. Classy. I wish I had the money and room for such gear, but I'm downsizing tremendously and will be going small for future endeavors.

Wayne, I have to agree with the sentiments above. You're wife is a very pretty lady.

Bruce, sorry to hear about your back. I can relate. Take it easy and do some PT if possible. Prayers for a speedy recovery.
