Pioneer wrote on Sat, 19 December 2015 20:41 I used to own The Abyss on VHS tape but we wore it out a long time ago. I've had a hankering to watch it again recently... Does anyone know where I can find it on DVD or even as a digital download?

Amazon sells it on DVD for about nine or ten dollars. As far as I know, that's the only way to get it right now. I haven't been able to find it on Blu-Ray or for download.
