Subject: Does Trump "Sound" Good To You ? Posted by Kingfish on Mon, 21 Dec 2015 22:08:11 GMT View Forum Message <> Reply to Message

Good enough to vote for?

I've always wondered if audiophiles like me have certain political leanings.

Personally, I'm going for Trump if he goes the distance. We need a business leader to be the CEO of the corporation called the U.S.A.

What say you?
