I enjoyed it. I think it was pretty much like the first one though, and I'll admit I thought the characters were a little bit weak. But I love Star Wars so I liked this movie very much anyway.

I've heard this from other sources, too -- that the characters are somewhat lacking. I didn't see it in theaters but I still plan on buying it when it comes out on DVD. I'm just looking forward to see some of the original cast again!
