Lizah wrote on Thu, 31 December 2015 09:24My taste in music has not changed that much over the years. I still like the same three bands and I still listen to the same genre. I grew up in the nineties, so it was a lot of punk and alternative grunge; I'm still a huge fan of that type of music.

I still like a lot of the same bands I liked when I was younger, but as I've aged my taste has expanded a lot. Which three bands are you speaking of? Maybe I like them, too.
