Subject: Re: 4Pi upgrade information - Wayne need crossover diagram with changes Posted by Mike17W on Sun, 10 Jan 2016 03:52:33 GMT View Forum Message <> Reply to Message

Wayne,

I have a set of 4Pis with DE250 and have just ordered a pair of H290C waveguides from you. I understand there is a change in the crossovers. Would you email me the crossover diagram with the changes I should make?

Thanks Mike
