I enjoyed it. I think it was pretty much like the first one though, and I'll admit I thought the characters were a little bit weak. But I love Star Wars so I liked this movie very much anyway.

We felt exactly the same way. When the music started playing, and the scroll started on the screen, I actually got chills. Many people in the audience cheered!
I felt it was too much like the original Star Wars too. It had a huge budget, and I expected more of the story. I felt like they were just kind of feeling the waters, to see how people would react.
I did love Finn though. He's adorable. I did NOT like Poe Dameron. It seemed like they were trying too hard to make him a younger version of Han Solo. Speaking of Han! Oh, Han! It was so good to see him again. This was really his movie.
