Subject: Re: Any advice for child proofing? Posted by Chase on Mon, 15 Feb 2016 21:25:26 GMT View Forum Message <> Reply to Message

My grandfather's response to a question like that was always "a swift kick to the rear", although I never once recall getting so much as a finger slap from Gramps and I was a pretty ornery kid.

When my nephew was that age his father and I built shelves for the wall above the TV to set the components on. We ran the wiring along the edge of a long mirror that hung on the wall and covered the majority of the wiring.
