Heavens, yes.  Most DIYers are familiar with those speakers;  They've been around a long, long time.  Our line of speakers are probably the oldest kit/DIY speakers that are still currently in production.

them with incremental improvements.  The latest models incorporate an H290C waveguide, which is brand-new as of 2012 and is the smoothest waveguide/tweeter I've ever measured.  Sorry if that seems immodest but the measurements do speak for themselves.

I've sent plans to you via email.
