Heavens, yes. Most DIYers are familiar with those speakers; They've been around a long, long time. Our line of speakers are probably the oldest kit/DIY speakers that are still currently in production.

them with incremental improvements. The latest models incorporate an H290C waveguide, which is brand-new as of 2012 and is the smoothest waveguide/tweeter I've ever measured. Sorry if that seems immodest but the measurements do speak for themselves.

I've sent plans to you via email.
