I watched the movie Ender's Game recently. It wasn't the best movie ever, and the book wasn't the best-but they had an interesting central message. They also had a pretty awesome quote for the main character,"In the moment when I truly understand my enemy, understand him well enough to defeat him, then in that very moment I also love him. I think it's impossible to really understand somebody, what they want, what they believe, and not love them the way they love themselves. "
