Subject: Cleaning old records Posted by minora on Mon, 25 Apr 2016 14:37:29 GMT View Forum Message <> Reply to Message

My dad still has several old records lying around. He often decides against cleaning them out of fear that he will break the records. Eventually he only wipes it with tissues or dry cloth. I've heard that using detergent to clean them is not a good idea. Is it okay to only use water?
