Hi Wayne,

I think I've settled on your 4 PIs for my next build. I have a few questions.

1) Can you share with me the plans for cabinet and XO?
2) Can I use the SEOS 15 waveguide if I go with B&C DE250s?
3) Are reconed JBL 2226h viable?
4) Would you recommend this speaker for classic rock?

Thanks so much in advance.
Greg
