If you have ever wondered about getting a degree in sound design, this looks like a good place to start:

<http://www.scad.edu/academics/programs/sound-design>

Who knows, you may end up being able to design and make something like this:

<http://www.livemint.com/Consumer/UTcvBkfz5fJWsbrOW3F33H/The-audiophile-designer.html>

Be the high-end quality yin to the current yang of low-end "fashionable" audio.
