Subject: Re: Cellphone carrier Posted by Airforce 3 on Thu, 19 May 2016 19:39:10 GMT View Forum Message <> Reply to Message

I'm starting to look at Verizon as a carrier that is geared towards business use. If you need constant upgrades to stay relevant in your profession, you might want to consider them. But for just run-of-the-mill service I'm sure Straight Talk is good.
