Finn wrote on Thu, 26 May 2016 06:19Brand will certainly play a big role in choosing the perfect system, but don't forget to think about size. The size of your room is going to matter a lot because if it is a big room then you need full-size, full-range speakers with a powerful amplifier.

I agree with Finn on this one. The bigger your room, the greater the specifications. I think the important thing is to do a thorough analysis of what your preferences are and then settle on a home theater that fits the bill.
