Gotcha. So does Transcendent Sound sell kits only? Or are they separate from Bruce Rozenblit?Hey, by the way, I just posted a note about the Great Plains Audio Club meeting in July. I was going to have it in two weeks, but that would be 4th of July weekend, so I set it for three weeks from Saturday instead. It will be July 10th at 2:00pm at my place. Should be a good time and I hope to see you there!
