Subject: Re: Headphones shorting out in the same place Posted by Wayne Parham on Fri, 10 Jun 2016 14:45:20 GMT View Forum Message <> Reply to Message

Tell your daughter to be gentle with the cords. Insert and remove the headphone cord by pulling on the boot, not the cord. Never yank the cord or use it to support weight. Maybe let your daughter know if she can't be careful, then you won't get her any more headphones.
